A Lot of Good Partner Project 2027

A Lot of Good is a 501c3 organization located in Upland, CA. Its purpose is to help individuals and families in crisis by providing goods, primarily clothing and shoes, that may no longer be affordable due to unforeseen circumstances. This includes challenges such as serious illness, loss of income from catastrophic event, domestic abuse and homelessness, to name a few.

A Lot of Good operates a large thrift store in Upland, known as A Lot of Good Thrift Store (ALOGTS). It is located on the southeast corner of Foothill Blvd and Central Ave. The store is open to the public and offers a wide variety of clothing, games, furniture, electronics, baby gear, housewares, sporting goods and vintage items.

Vouchers from ALOGTS are distributed to those in need through a partnership with nonprofit, ministries and agencies making an impact in the community. The goal is to work alongside these organizations to support their programs with the donations from the thrift store.

VOUCHERS are to be used specifically for necessities (clothing, shoes, jackets, etc) and are limited to standard priced items only. Non-essential items (jewelry, vintage, sporting goods, decor, tools, etc) are not allowed for purchase with vouchers.

There are three types of partnerships: Hospital, Outreach and Community

Hospital Partners (HP) can receive bulk donations of clothing and other items (as available by request) to meet specific needs. For example, providing clothing, jackets and shoes to homeless patients. Hospitals can also participate in the “We Care” program receiving LoveBoxes (filled with new toys and activities for children in the hospital) and new gifts delivered around the holidays.

Outreach Partners (OP) can request specific/bulk items to help support ongoing programs benefiting the community. This is mostly in the form of clothing and shoes. Examples would be to help organizations replenish clothing closets for homelessness or domestic abuse.

Community Partners (CP) are ministries and nonprofits located in Upland, Ontario, Montclair, Claremont or Rancho Cucamonga that are making an impact in their community but need additional support by receiving a monthly allotment of voucher to distribute to their families to shop at the A Lot of Good Thrift Store.

Benefits of the Partner Project:

1. Partners may submit requests for a specific family or bulk requests of product as needed and available at any time during the year.
2. Monthly allotment of ALOGTS vouchers.
    1. Community Partners receive thrift store vouchers to help families/individuals. The amount will be determined by ALOG based on need and past participation
    2. Outreach Partners may receive a monthly allotment of vouchers on an exception basis. Additional thrift store voucher may be purchased at a discounted rate.
3. Partners can nominate up to five (5) families to There Is Hope Project annually. For project details visit www.alotofgood.org/thereishope. Required forms can be found at www.alotofgood.org/forms.
4. Partners can recommend families to be part of We Care Project, supplying school backpacks and Christmas presents and more.
5. Partners may be asked to do a video interview to introduce their organization, mission and detail the impact of the partnership with A Lot of Good. This may be distributed to the public via social media, direct marketing and the ALOG/ALOGTS websites. There is no cost to the partnering organization.
